On March 23, 2004, Qwest Corporation (Qwest) of Denver, Colorado, filed an application seeking approval of its CLEC Maintenance of Common Area Splitter Collocation Amendment to its interconnection agreement with DIECA Communications, Inc., d/b/a Covad Communications Company (DIECA) of Santa Clara, California, which was previously granted in Application No. C-2325. Notice of the application was published in The Daily Record, Omaha, Nebraska, on March 25, 2004. No protests were filed; therefore, this application is processed pursuant to the Commission's Rule of Modified Procedure.

Pursuant to Section 252(a) of the Telecommunications Act of 1996 (the Act), Qwest (then known as US West) and DIECA (then known as Covad Communications Company) entered into an interconnection agreement arrived at through voluntary negotiations. The Commission approved the agreement on August 1, 2000, pursuant to Application No. C-2325. In the current application, Qwest seeks to amend the agreement by adding CLEC Maintenance of Common Area Splitter Collocation Amendment. An executed copy of the amendment is contained within the application.

The amendment does not discriminate against any telecommunications carrier. Furthermore, the implementation of the amendment is consistent with the public interest, convenience and necessity.

Section 252(e) of the Act requires this Commission to review negotiated interconnection agreements to ensure they comply with Sections 251 and 252(d) of the Act, as well as all applicable state laws. Using those standards, the amendment filed March 23, 2004, should be approved.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the amendment to the interconnection agreement between Qwest Communications and DIECA Communications, Inc., d/b/a Covad Communications Company, be, and it is hereby, approved.

IT IS FURTHER ORDERED that the executed amendment filed herein be, and it is hereby, made the official copy on file with the Nebraska Public Service Commission.

MADE AND ENTERED at Lincoln, Nebraska, this 27th day of April, 2004.
